### 3.

Tho' by your kindness my fond hopes were raised,  
Long, long ago, long, long ago.  
You by more eloquent lips have been praised,  
Long, long ago, long, long ago,  
But, by long absence your truth has been tried,  
Still to your accents I listen with pride,  
Blessed as I was when I sat by your side.  
Long, long ago, long ago.
